

Cape Fear Regional Theatre (www.cfrrt.org) is located in Fayetteville North Carolina. CFRT is a non-profit with a \$1.7 million operating budget and a dedicated staff of 16. Each year, CFRT reaches more than 49,000 people through six award winning mainstage productions, a recurring community-based holiday production, Blues-n-Brews (an annual fundraiser - with beer!), and a broad range of education and outreach programs. CFRT's building has a 285-seat mainstage theatre, scenic and costume shops, and administrative offices, as well as an adjacent education center and off-site storage warehouse. Fayetteville is the sixth largest and among the most diverse cities in North Carolina. It is a big city with a small-town vibe. CFRT is committed to diversity (visit our website for more information) and is an Equal Opportunity Employer. CFRT just finished a \$1 million floor to ceiling theatre renovation, which includes new HVAC, a new, custom sound system, and a full aesthetic revamp. This position includes salary, health and generous PTO package. The ideal candidates exhibit strong leadership skills, are self-motivated, and wants to be a part of a dynamic, dedicated team. If this is you, please send cover letter and resume to jobs@cfrrt.org or visit <https://www.cfrrt.org/about-us/#employment> for more information.

Master Carpenter

Reports to: Production Manager/Technical Director

Time Commitment: Full-time Salaried (40 hrs per week) Occasional nights and weekends required.

Pay: \$35,568 annually plus Health and generous PTO policy.

The Master Carpenter is the primary shop carpenter, constructing the set from the designs provided by the Scenic Designer and Technical Director. They are a key member of the production team. Their primary focus is to build our 6 Mainstage Shows, remount our Holiday Show, and construct a modular set for our summer camps. They also assist with events and occasional facilities upkeep.

Job Responsibilities

- Construction of set
- Works with over-hires, as needed
- Monitors the construction timeline and works to keep timeline on track
- Keeps inventory of tools, maintains them and reports when replacements need to be ordered
- Works with TD to replenish inventory as needed

Job Requirements

- Proficient Carpenter
- Experience with metal working, welding a plus
- Self-motivated individual, requiring minimal supervision with good time management skills
- Ability to lift 50 (+) lbs.
- Strong organizational, problem solving and follow-through skills with a focus on safety
- Courteous, professional, good team-player and good sense of humor
