*Your community is suffering
from **BLOOD SHORTAGES.***

*There is an **URGENT** need of volunteers to donate.*

Blood donors are the foundation for providing safe blood products and meeting the medical needs of local patients. Their donations can mean the difference between life and death.

Donating blood gives volunteers an opportunity to be of service both to themselves and their community.

Giving blood is a selfless act and the ultimate random act of kindness. If you live here, please give here – give blood.
