THE CURTAIN IS RISING ON ACT 2!

Cape Fear Regional Theatre is growing by leaps and bounds. Since 1962, CFRT has been developing local talent, launching high-profile careers, and serving as a cultural destination in our state. Now, as we look to an exciting future, we're expanding our facility to meet the caliber of the nationally recognized work happening within!

FIND YOURSELF HERE

The theatre auditorium renovation was completed in 2021 and now ACT 2 will *Expand & Elevate* the rest of the facility, offering more opportunities to take classes, gather with friends, experience art, and make memories. *At any stage of life, you can find yourself here.*

OUR NEXT ACT NEEDS YOU!

We wouldn't be here without decades of support from this incredible community. **We hope you'll join us as a donor and make your story part of CFRT's ACT 2!**
